ABOUT INSTITUTION:

Global Institute of Engineering and Technology, Hyderabad, Telangana is affiliated to JNTUH & approved by AICTE. GIET was established in the year 2006 with a vision to produce technologically skilled Engineers of world class competency to address global challenges. GIET nurtures and supports a unique system of education structure on values and combines the tenets of the academic excellence with corporate professionalism. The primary objective at Global Institute of Engineering and Technology is to impart quality education which leads to quality living. Located at Moinabad, the sprawling campus spread over 28 acres of lush greenery creates the most conducive environment for education. GIET offers undergraduate programmes in ECE, CSE, CE, ME, CSE(AI & ML) and postgraduate programmes Embedded Systems & Structural Engineering.

The system of education at Global Institute of Engineering & Technology grooms the students to rise into professionals and leaders of high academic caliber with unblemished character. Dedicated, experienced and qualified faculty help in honing the skills of students at early level of their learning.

ABOUT THE DEPARTMENT:

The Department has good infrastructural facilities and is equipped with full-fledged laboratories. The Department also has audio-visual teaching aids with LCD for effective teaching. Keeping pace with the Global Trends GIET has established advanced labs in Digital Electronics, Mobile Communication, Embedded Systems, VLSI Design, Microwave Engineering etc. Main thrust of ECE Department is to provide better quality education required by the present industry and train the students in new technologies to equip them to cater to the present global requirements. The Department is offering M.Tech in Embedded Systems.

ABOUT IQAC:

In accordance with the NAAC guidelines, the Internal Quality Assurance Cell (IQAC) was established in 2016 to initiate, monitor, evaluate and report on relevant measures to upgrade the quality of teaching, learning, evaluation and research initiatives in the campus. The Centre for Academic Excellence was created to conduct faculty development programmes. The internal quality assurance cell, the centre for academic excellence and the ISO collectively took care of continually upgrading the texture of quality in the campus, in keeping with the vision and mission of the management crafted on the basis of inputs from stakeholders.

ABOUT THE FDP:

Engineering Graduates of Today need to be critical thinkers, problem solvers, team players, effective communicators, life-long learners and innovators in order to be globally competitive. As most of the graduates do not possess these attributes to the expected levels, their employability level is very low. The Instructional methods that were followed in 20th century are inadequate for preparing the graduates to meet the above mentioned skills and attributes. Hence, there is a need to develop relevant "Teaching Competencies" among the faculty members in Technical Education. Advent of several ICT tools has paved the way

to the emergence of a number of learnercentered methods of instruction. Today e-Learning, Blended learning, Cooperative learning, Active learning have become buzz words in the teaching learning process. Teachers, who are equipped with these new approaches to teaching and learning, will be able to develop desirable learning outcomes and attributes among the students. In this background, this two-day faculty development programme on "Role of Teacher in enhancing the quality of Technical Education" is organized with the following objectives.

TOPICS TO BE COVERED:

- Effective Teaching Methodologies.
- Impact of Teacher effectiveness on Students achievement.
- Effective Mentoring of Students.
- Motivating and Inspiring Students.

Below are the means to help you with your self-reflection, self-verification:

1. Pre-FDP survey

Starts on 24/09/2020 and Ends on 25/09/2020 This is a pre-requisite for participating in the workshop <u>https://docs.google.com/forms/d/e/1FAIpQLS</u> <u>eGGTopYqufBdOB-</u> <u>YUMWVm6nRSt61WxWzJHrf0IAVwnY7P5</u> <u>wQ/viewform</u>

- Attendance (automatic tracking of login time and intermittent "are-you-there" indicators) This FDP is like a sentence spoken over 5 days. Participation in all sessions is desirable to get all the proposals being put forth.
- 3. Responding to polls
- 4. Assignments day 1 to day 5
- 5. Feedback Google Form Start on 30/09/2020 4 PM and Ends on 30/09/2020 8 PM

How to Apply:

Interested teaching faculty are required to fill Registration Form online only through Google forms at the link https://docs.google.com/forms/u/0/d/e/1FAIpQ

LSfiVFXzzV9FUEgv swkPTTrBDPRxniHT67 LZt8Trq4suJs3IA/formResponse

Registration should be done between 19/09/2020 to 24/09/2020 Limited Registrations First Come First Serve Note: There is no registration fee for FDP.

Participants are advised to download Zoom App on their mobiles or Zoom Client on laptop/Mobile from official website of Zoom or form Play store

Contact session will be on Zoom platform from 10:30 AM to 12:00 PM and 02:30 PM to 4:00 PM every day during programme. Please be on Zoom app 15 mins before WHO SHOULD ATTEND?

The program is designed for Teaching Faculty working in Institutions offering Technical Education.

For any query regarding this programme, please

contact the following persons.

The Principal

GIET

Sir,

Sub: Hosting a Five-Day Faculty Development Program on **Role of Teacher in Enhancing the Quality of Technical Education** – Reg.

The Department of Electronics and Communication Engineering is planning to host a Five-Day Faculty Development Program on **Role of Teacher in Enhancing the Quality of Technical Education** to be held from 26/09/2020 to 30/09/2020 in online mode. I would like to request for your permission and support to conduct the Course. It will be ensured that information delivered to faculty is standardized.

The objectives of the Program are to enable the participating faculty to understand Role of Teacher in Enhancing the Quality of Technical Education. It is therefore important for faculty to have a deep understanding of concept, to get to know about how teachers impact the life of students. This FDP gives awareness amongst faculty about their role in technical education.

Kindly accord approval to make necessary arrangements for hosting a **Five-Day Faculty Development Program on Role of Teacher in Enhancing the Quality of Technical Education**.

Thanking you.
